Hi Dru and Jamey,

Here's the pre-draft permit for the John Day Project for your RW. I had hoped to include the Fact Sheet, but that's going to take some more time. Please take a look at the effluent limitation tables and see if this format makes sense. If you have other suggestions, I'm interested too. It would be great to get comments from you both by Tuesday AM. We can also discuss during our meeting on Tuesday.

Thanks,
Jenny
